

**Cemetery Commission Special Meeting – August 3, 2021**  
**Rowley Public Library**

**Present:** Commissioners: David Petersen, Jack Cook, Kathy Olmsted, and Sam Spinhirn.

**1:30 pm** meeting called to order by David Petersen, chair

Special Meeting for the purpose of responding to a Request to removed the cremains of Fay (Hardy) Kelly's son, Elton Toby, who was buried in lot #273 Sec 1 buried some eight (8) years ago.

We have verified that the lot was originally purchased by Dave Perley who had authorized its use by Fay Hardy and her heirs. The Chairmen, David Petersen also checked Thomas A. Mullen, Esq. ( Town's Legal counsel), who found no legal issues which would prevent this action. Mr. Mullen recommended that "if the requester can establish that she is the decedent's mother and the decedent had no children" then the Cemetery Commissioners could approve this request.

After some discussion and verification of details, motion was made by Jack Cook with second by Kathy Olmsted that we allow the removal of the cremations in Lot #273 Sec. 1 and the stone that is on the lot. It is understood that the arrangements and expense for the removal will be the responsibility of Fay (Hardy) Kelly and will be done under the supervision of the Cemetery Commission. **So Voted**

**Motion to adjourn** by Kathy Olmsted, second by Jack Cook. **So Voted**
